- I want to support the efforts of the FPCS and become a supporter and receive the newsletter (\$10 annual dues).*

I am interested in making a gift to help build Centennial Gardens & Bird Sanctuary.

GARDEN REDEVELOPMENT FUND

Help FPCS continue the development of Centennial Gardens. Please specify the amount of donation.

\$ _____ Plaque Inscription: _____

(Individual plaques will be available for support beginning at \$125; separate gardens and sitting areas can be developed with larger donations; details need to be addressed in person.) Specimen trees = \$250 includes plaque; mass trees = \$160 includes plaque. Amounts under \$125 will be joined with others on a general garden plaque.

JAPANESE GARDEN

Celebrate Chris Deeks' memory in helping FPCS develop a special garden near the new Japanese-inspired garden. Garden will feature multiple benches and specimen trees and shrubs.

Concrete benches (7): \$525 each (includes plaque)

Specimen Bloodgood Maple trees (2): \$ 350 (includes plaque).

Specimen Japanese Maple trees (4): \$300 (includes plaque).

Specimen Japanese shrubs (6): \$125 (includes plaque).

Shrubs, grasses, perennials: \$25 to \$100 (supporters contributing \$25 or more up to \$100 will be joined with other supporters on garden plaques).

CHILDREN'S MAZE AND GARDENS

Help us build a family favorite, The Maze, which will be near the green wall and be planted with privet hedges; while it will take a while to grow, it is a large project worthy of support.

*2015: All forms and plaque requests must be sent to
