1. SCOPE
The arena, hotel, plus 175 store mega mall is TOO BIG and will overwhelm the small residential area of Floral Park and neighboring communities.

2. INFRASTRUCTURE
Electric - How many feeders will pass through Floral Park?
Water - Where will the water come from?
Sewage - Where will the additional sewage be discharged?

3. IMPACT ON FLORAL PARK
Quality of life will be negatively impacted by lights, noise, parking.
Will it become a traffic corridor?
Will local businesses suffer?

4. TRAFFIC
How will Floral Park be spared the overburden of Belmont Stakes traffic year-round?
What will this burden do to your taxes?
How will emergency response times be impacted?

5. CONSTRUCTION DISRUPTION
How will FP be protected from heavy construction disruption and the harmful effects of noise and air quality pollution during 28 months of construction?

6. THE UNKNOWN
What will NYRA's expansion entail?
How will concurrent projects even co-exist with traffic flow through the areas?

Too much crammed into a small space? We agree.
Insist on information and thoughtful planning.
