

**Inc. Village of Floral Park**  
**October 1, 2019**  
**Board of Trustees Meeting**

Prior to the start of the meeting, Mayor Longobardi asked for a moment of silence to remember fallen New York City Police Officer Brian Mulkeen who recently lost his life in the line of duty in the Bronx.

**Department of Public Works – Trustee Kevin Fitzgerald**

Trustee Fitzgerald reported that DPW crews are finishing up the last week of road repairs for the season using hot patch. This year, our crews have applied more than 600 tons of asphalt at selected areas throughout the Village to repair pooling water issues and road repairs.

Crews are now preparing for the Fall leaf season. We would like to remind residents to please not rake leaves into the street. Sanitation crews will pick up bagged leaves curbside on designated yard waste days.

On September 27<sup>th</sup>, a call was made to Village Hall by a motorist who dropped keys with a remote starter in a basin on Hinsdale Avenue. A DPW crew was dispatched to investigate whether the key could be retrieved from the basin. As luck would have it, our crew was able to locate the keys and retrieve them from the basin. They were handed over to the Police Department and the motorist was notified of the outcome. Thank you to our General Supervisor Kevin Pearsall and his crew Steve Goodwin and Kevin Roe for a job well done.

Trees have been planted on Locust Street and sod is scheduled to be put down at the end of October when the weather cools down.

**Recreation Center - Trustee Lynn Pombonyo**

Trustee Pombonyo thanked all for a highly successful and enjoyable Liz's Day event at our Floral Park Rec Center. Thousands of adults and children spent a beautiful, sunny day gathering with friends, listening to great music, playing games, winning raffle prizes, eating delicious food and, of course, raising funds for Cold Spring Harbor Lab's all-important breast cancer research. Thanks to all who came out to support this year's 21<sup>st</sup> annual event and its important cause as well as the talented and dedicated Liz's Day volunteers. A special shout-out goes to our hardworking Village of Floral Park staff: Superintendent Kurt Meyfohrt and the Recreation Department, Superintendent Kevin Ginnane and the Department of Public Works, and Commissioner Steve McAllister and the Police Department for their valuable assistance.

Meanwhile, our Fall, Session One Recreation programs are all under way along with volleyball, baseball and football. Come down to the park to enjoy all the fall activities or just for a beautiful fall experience there.

### **New Resident Committee – Trustee Frank Chiara**

Trustee Chiara said our New Resident Committee continues to welcome new residents into our community. At a recent meeting, ideas were shared on how to reach out to new neighbors. The Committee plans to meet again with local real estate agents to share with them information about our Village so that they can pass this information along to their clients. Other events, such as a meet and greet with community groups and possibly setting up a welcome table at upcoming

community events are also in the works. If a new neighbor moves in on your block, please invite them to stop down to Village Hall to receive a welcome bag packed with valuable information about our great Village.

### **Mayor's Report – Mayor Dominick Longobardi**

Mayor Longobardi thanked the DPW staff for all their hard work regarding all the community events that we have recently had. All these events are the result of the hard work of our community volunteers. Liz's Day was a phenomenal success again this year. It is a great time for all our Village friends and family to come together and support wonderful causes. After Liz's Day, the Mayor said he spent the remainder of the day with members of the Fire Department, our greatest volunteers, outside of Fire Department Headquarters. The Friends of the Library are doing great work and they are so helpful in keeping our Library strong.

This is what makes Floral Park what it is. Mayor Longobardi urged everyone to come out and enjoy these fun events. And think about becoming a part of it by volunteering your time to one of our great committees.

Mayor Longobardi thanked Felix Procaccia for filming this evening's meeting and for Tom McCarthy, a member of the press, for attending.
