- 7/16/19 - BOARD OF TRUSTEES - AAA TAXI SERVICE -

1           MAYOR LONGOBARDI: Thank you, Miss Walsh.  
2           As everybody knows, AAA Taxi is a long  
3           established business in our community. We're  
4           very grateful for the many years they have been  
5           a solid part of our community and the many  
6           things they have done.

7           There are some questions that I know we  
8           all have in regards to some of the things that  
9           are associated with your application. So, I  
10          will ask if a representative from AAA Taxi will  
11          come up. Thank you. You can introduce  
12          yourself and give your name and address and be  
13          sworn in by the Court Stenographer.

14          MS. SWENSON: My name is Karen Swenson  
15          from Long and Tuminello, 120 Fourth Avenue,  
16          Bayshore, New York. I'm the attorney for AAA  
17          Taxi. Good evening.

18          Good evening Mayor Longobardi and Members.  
19          I am here as a representative of AAA Taxi for  
20          the renewal of Franchise Agreement with the  
21          Village of Floral Park. Their prior agreement  
22          was dated May 7, 2016 and they're currently  
23          seeking, not only to renew, but a modification  
24          of the rate adjustment. The current rate is  
25          \$3.50 plus a 50 cent fuel charge. We are now

- 7/16/19 - BOARD OF TRUSTEES - AAA TAXI SERVICE -

1            requesting that that rate be increased to a \$6  
2            flat fee with no fuel anywhere as a local fare.

3            I think that everyone can attest to the  
4            fact that AAA has provided excellent service to  
5            the Village for over 50 years and has done such  
6            gratuitous things as offering free rides to  
7            senior citizens to and from church and will  
8            continue to do so. However, the current  
9            environment requires a rate increase and I will  
10          explain why.

11          Members of the Board, New York State has  
12          passed a law in 2017 that requires our  
13          companies to continue to register and to be  
14          monitored by villages and towns and counties.  
15          However, transportation network companies such  
16          as Uber and Lyft and other transportation  
17          network companies where there's an app  
18          involved, to be treated completely differently.  
19          They do not have to comply with any kind of  
20          Village regulations. They do not have to be  
21          inspected. They do not have to do driver  
22          background checks. They do not have to obtain  
23          permits. They don't have to pay permits with  
24          the Village. They do not have to run sex  
25          offense checks. All that we do and that incurs

- 7/16/19 - BOARD OF TRUSTEES - AAA TAXI SERVICE -

1 costs.

2 So, Uber in and of itself is now, the  
3 average rate locally is approximately \$8 to \$9.  
4 We're not asking for that. We're just simply  
5 asking for a \$6 flat fee to be able to compete  
6 in the ever changing environment where  
7 technology has completely changed the  
8 transportation industry. Our clients love the  
9 area, love the community. They do what they  
10 can to provide free rides to seniors when  
11 possible, but we are required, of course, and  
12 are happy to do so because safety, it is the  
13 utmost importance of the community. We have no  
14 problem with complying with that.

15 We have permits to obtain. We have to do  
16 vehicle inspections, no surge pricing, annual  
17 taxi cab fees, driver permits, insurance  
18 requirement, twenty-four hour dispatch  
19 requirement and office requirement within the  
20 Village which we comply with all costs.  
21 However, with that, the \$3.50 is not adequate  
22 at this point three years later.

23 So, we therefore request to renew our  
24 relationship with the Village and continue to  
25 be the provider of transportation within the

1 Village. We're only requesting that \$6 flat  
2 fee as opposed \$3.50 plus 50 cent fuel charge.

3 Does anyone have any questions?

4 MAYOR LONGOBARDI: Thank you very much.  
5 There are several questions. There are some  
6 items within the current franchise agreement  
7 that over the time seems to be lacking and I  
8 just want to raise the attention of that.

9 First and foremost of course is the  
10 location on Verbena Avenue and the use of cars  
11 parking, taxi cab parking on Verbena or sitting  
12 double parked at times and things like that.  
13 We have had issues with that and I want to make  
14 sure those issues are going to be addressed  
15 before we again renew this agreement.

16 As I said, it's been a phenomenal staple  
17 in our community and yes, we are very grateful  
18 for the things they do. Unfortunately, we have  
19 other issues with that. That is one thing that  
20 I know and I realize it is part of doing  
21 business, but it has caused us some issue, cars  
22 double parked on Verbena and in front of the  
23 office and so on. I need to be assured and the  
24 residents need to be assured that is going to  
25 be addressed, taking care of and will not

- 7/16/19 - BOARD OF TRUSTEES - AAA TAXI SERVICE -

1       happen going forward. So --

2               MS. SWENSON: I can assure you now that I  
3       am aware of the issues, we will be making it a  
4       priority to make sure that we're not congesting  
5       traffic in the Village or in anyway impeding  
6       the cars in and out of Verbena. We will be  
7       making sure that all vehicles are parked  
8       properly and we will now be moving across the  
9       street within the next month and going to be  
10      making other arrangements for vehicles so they  
11      will not be double parked.

12              MAYOR LONGOBARDI: Thank you. I am going  
13      to turn it over to my colleagues. So, Deputy  
14      Mayor Kevin Fitzgerald.

15              TRUSTEE FITZGERALD: Thank you and thank  
16      you for all you do in the community. I really  
17      appreciate it. You said moving across the  
18      street?

19              MS. SWENSON: Yes, sir.

20              TRUSTEE FITZGERALD: There's no parking on  
21      that side of the street at all.

22              MS. SWENSON: Just the office is moving.  
23      The cars will not be parked there. It is just  
24      a matter of the office for clerical purpose.

25              TRUSTEE FITZGERALD: If I can ask the

- 7/16/19 - BOARD OF TRUSTEES - AAA TAXI SERVICE -

1 Police Commissioner, are you aware of any  
2 complaints by any residents about the taxi  
3 service, placed into the police department?

4 POLICE COMMISSIONER MCALLISTER: No, not  
5 actually. The only thing will be maybe  
6 complaints about double parking on Verbena.

7 TRUSTEE FITZGERALD: No individual  
8 complaints about drivers or --

9 POLICE COMMISSIONER MCALLISTER: No.

10 TRUSTEE FITZGERALD: Thank you.

11 POLICE COMMISSIONER MCALLISTER: We had  
12 them out before.

13 TRUSTEE FITZGERALD: And once they're  
14 approved, everything's been fine?

15 POLICE COMMISSIONER MCALLISTER: Correct.  
16 We have turned several applications as Richie  
17 knows.

18 MS. SWENSON: And that's the beauty of  
19 having our company that you are able to monitor  
20 them. As you know with Uber, Lyft, if you read  
21 in the paper, there are people with extensive  
22 criminal records driving, no background checks.  
23 So, the Village has very tight control and  
24 we're happy to comply with all the regulations  
25 to prove to our community that we are very

- 7/16/19 - BOARD OF TRUSTEES - AAA TAXI SERVICE -

1 interested in their safety.

2 TRUSTEE FITZGERALD: And the agreement as  
3 it stands, the cars will be 2015 or later. Is  
4 that changing at all or all cars --

5 MS. SWENSON: Well, the maximum ability to  
6 be two -- to be seven years old. We would like  
7 to request and don't want to make it contingent  
8 upon that, but if possible, we would like to  
9 make it an additional year of 8 years, given  
10 the fact, our cars are driven a lot less because  
11 of the influx of Uber and Lyft. The business  
12 down-turn is tremendous across the board for  
13 all of taxi cabs on Long Island. There's  
14 absolutely no question about that. And so  
15 therefore, the mileage is less, maintenance is  
16 less and given the fact the Village has the  
17 opportunity to inspect all the vehicles, we  
18 would also like it to be extended even just a  
19 year, if the Village would approve that. Of  
20 course, you always have the ability to turn  
21 down any vehicle that you do not feel is safe,  
22 but our client is very vigilant in maintenance  
23 and repairs and if the mileage is low and  
24 condition of the vehicle is excellent, it seems  
25 like a little bit of a waste to incur

- 7/16/19 - BOARD OF TRUSTEES - AAA TAXI SERVICE -

1 additional costs to get rid of a safe and  
2 reliable vehicle in good condition.

3 TRUSTEE FITZGERALD: So I understand,  
4 you're requesting not to have -- have vehicles  
5 that are no older than 8 years old at all  
6 times?

7 MS. SWENSON: Yes, sir.

8 TRUSTEE FITZGERALD: Okay.

9 TRUSTEE POMBONYO: Thank you. Thank you  
10 for your service to the Village and thank you.  
11 Just two questions. One relates to the  
12 parking, specifically on Caroline Place which  
13 is in front of the public library. It is  
14 across from the train station. It is  
15 available, but it is not allowed. Taxis that  
16 are often parked in a couple of spaces and  
17 several there, they might be double parked with  
18 drivers talking to each other. What is the  
19 follow-up when that is reported to the cops,  
20 how is that handled?

21 MS. SWENSON: We will implement a company  
22 policy with all our drivers to make sure  
23 they're properly trained that this is something  
24 that will cause possible termination if they  
25 violate the rules that the Village is very

- 7/16/19 - BOARD OF TRUSTEES - AAA TAXI SERVICE -

1 concerned about this and it is not acceptable  
2 in their performance as employees. We are  
3 happy to implement that employee plan that will  
4 address this issue with each driver  
5 individually to make sure they're aware of the  
6 Board's strong feelings about this issue.

7 TRUSTEE POMBONYO: Because parking does  
8 seem to come up again and again with the  
9 Trustees and Police Commissioner. It has to be  
10 a priority.

11 Also, it is noted by many that the  
12 condition of the various vehicles varies  
13 tremendously from really excellent and clean  
14 and just a pleasure to drive in to, I guess,  
15 older ones, not seemingly in good condition,  
16 are making noises, things like that and filled  
17 with cigarette smoke or an odor of it, very  
18 pervasive.

19 So, what is done by management to check  
20 these vehicles on a more regular basis because  
21 some of the problems ones can't be just  
22 problematic for that one ride. They seem to be  
23 in that condition and how can we prevent that  
24 from happening?

25 MS. SWENSON: The Franchise Agreement

- 7/16/19 - BOARD OF TRUSTEES - AAA TAXI SERVICE -

1 calls for no smoking in the vehicles. My  
2 client has a company policy with regard to no  
3 smoking in the vehicles. Therefore, if it is  
4 something now addressed and my client wasn't  
5 aware of that, again, it will be addressed with  
6 each driver. It is something forbidden in  
7 vehicles and we're aware that's a major concern  
8 of anyone riding in a vehicle. We don't want  
9 to be exposed to smoke, specially our elderly  
10 people.

11 TRUSTEE POMBONYO: How often are the  
12 vehicles checked by management for conditions  
13 like that that will show up?

14 MR. VITELLO: Periodically we check on  
15 them all the time. Sometimes there's smoke on  
16 them. They're not smoking in the car, they  
17 smoke out of the car. There's nothing I can do  
18 about that.

19 TRUSTEE POMBONYO: How often is  
20 periodically?

21 MR. VITELLO: Once a week I go through all  
22 the cars.

23 TRUSTEE POMBONYO: That's important.

24 Thank you.

25 MS. SWENSON: Once again, we reinforce

- 7/16/19 - BOARD OF TRUSTEES - AAA TAXI SERVICE -

1 with all the drivers that smoking is prohibited  
2 by the Franchise Agreement and our company  
3 policy.

4 TRUSTEE CHENG: My turn. I want to make  
5 sure I understand. This agreement right now is  
6 with Victory Least Corp or AAA Taxi Service,  
7 Inc. a subsidiary? Is that still the  
8 corporate?

9 MS. SWENSON: Yes, it is.

10 TRUSTEE CHENG: Under the agreement we  
11 have right now, it is my understanding that the  
12 majority of the shares or has there been a  
13 change of ownership in reference to the  
14 shareholders in the corporation?

15 MS. SWENSON: 95 percent.

16 TRUSTEE CHENG: If he has to speak, he has  
17 to be sworn in. I apologize.

18 MS. SWENSON: Okay.

19 (Whereupon, Richard Vitello was sworn in.)

20 MR. VITELLO: Richard Vitello,  
21 V-I-T-E-L-L-O.

22 TRUSTEE CHENG: Continuing in paragraph 29  
23 of the agreement as it exists, we have never  
24 been given any kind notice of change of  
25 ownership. When did that sale occur?

- 7/16/19 - BOARD OF TRUSTEES - AAA TAXI SERVICE -

1 MR. VITELLO: Well --

2 MS. SWENSON: There was a death in the  
3 Vitello family where shares were left.

4 MR. VITELLO: Left to my brother and  
5 myself.

6 MS. SWENSON: Two brothers and one brother  
7 who is not in the business and therefore, my  
8 client has purchased his share in the business  
9 but it is all in the same family, left pursuant  
10 to a will. This wasn't an outside transfer or  
11 transfer to any third party of management  
12 changed. My client always managed the business  
13 with his father, who is deceased.

14 TRUSTEE CHENG: I'm not doubting that.  
15 I'm just going by the terms of the agreement.  
16 It hasn't been specified in reference to the  
17 change by the majority of the shares, and that  
18 has occurred.

19 Mr. Ryan, can I just ask you. I don't  
20 know if you know this, but Section 85-4 of the  
21 code requires a public hearing for us to  
22 consent to the sale.

23 MR. VITELLO: I didn't know that.

24 TRUSTEE CHENG: It is in the agreement.

25 MR. RYAN: I think if Counsel could

- 7/16/19 - BOARD OF TRUSTEES - AAA TAXI SERVICE -

1 provide us with the documentation of the  
2 transferred shares and we can consider it part  
3 of this hearing.

4 TRUSTEE CHENG: I just want to make sure.

5 MS. SWENSON: No problem. I will be happy  
6 to provide you with the document.

7 TRUSTEE CHENG: At the last hearing, I'm a  
8 little bit of a nitpicker, I want you to know  
9 that we do appreciate and I appreciate the  
10 service that you provide the Village.

11 MR. VITELLO: Thank you.

12 TRUSTEE CHENG: But this is an agreement  
13 that's long standing and you have a definite  
14 financial interest in this and benefit and we  
15 provide also a benefit. To me, we have to go  
16 by the terms of the agreement.

17 MR. VITELLO: Of course.

18 TRUSTEE CHENG: So, what I understood in  
19 2016 when we talked about the age of the  
20 vehicles, was any new vehicles being purchased  
21 or any new taxi cabs coming into service would  
22 be a 2015 or newer model car. We will keep,  
23 however, in those circumstances, can a vehicle  
24 be older than seven years. Currently now, how  
25 many vehicles are over seven?

- 7/16/19 - BOARD OF TRUSTEES - AAA TAXI SERVICE -

1 MR. VITELLO: I would say about three that  
2 are.

3 TRUSTEE CHENG: Out of how many vehicles  
4 in the fleet?

5 MR. VITELLO: We have 17 now. We used to  
6 have 26, but with business and financial, we  
7 had to get rid of them because they were old  
8 and got new ones. I bought three new ones  
9 Chryslers in '17, Mercedes which is '13. We're  
10 trying to do the best I could with that.

11 TRUSTEE CHENG: My next question is the  
12 same question I asked last time. The rate cars  
13 are not posted in the back seats.

14 MR. VITELLO: We have them on the visor.

15 TRUSTEE CHENG: I know that. I'm going by  
16 the agreement.

17 MR. VITELLO: Sometimes they fall off.

18 TRUSTEE CHENG: I can pull out the  
19 minutes, but that's the answer I got the last  
20 time. The agreement says it will be on the  
21 back of the seat.

22 MR. VITELLO: Right. Sometimes they fall  
23 off. They get kicked around. We have to glue  
24 them a certain way where they stay.

25 TRUSTEE CHENG: This next one is really

- 7/16/19 - BOARD OF TRUSTEES - AAA TAXI SERVICE -

1 for the Police Commissioner.

2 POLICE COMMISSIONER MCALLISTER: Yes.

3 TRUSTEE CHENG: In the agreement, it says  
4 that each taxi cab should be inspected no less  
5 than three months. Is that being done at the  
6 present time?

7 POLICE COMMISSIONER MCALLISTER: Yes, we  
8 inspect the cars regularly.

9 TRUSTEE CHENG: Do we have some kind of  
10 record on that?

11 POLICE COMMISSIONER MCALLISTER: Yes.

12 TRUSTEE CHENG: Every three months?

13 POLICE COMMISSIONER MCALLISTER: I have a  
14 taxi -- one of my Sergeants does it as a taxi  
15 coordinator, if you will. He runs all the  
16 background checks on licenses, runs all their  
17 licenses, does inspections on the vehicles. I  
18 think -- I don't know if we do it every three  
19 months. It is more like --

20 MR. VITELLO: Six.

21 POLICE COMMISSIONER MCALLISTER: Half a  
22 year, six months.

23 TRUSTEE CHENG: Okay.

24 POLICE COMMISSIONER MCALLISTER: It could  
25 be up to three months if we so choose.

- 7/16/19 - BOARD OF TRUSTEES - AAA TAXI SERVICE -

1 TRUSTEE CHENG: I'm trying to get the  
2 background from the agreement we have. That's  
3 all.

4 You've heard us talk about the parking on  
5 Verbena and there is a major issue as far as  
6 double parking, why there is no parking in  
7 front of the Chase Bank and the reason is  
8 because the fire department vehicles exit and  
9 access most of the Village on the south side  
10 and north side, and Hillcrest area, by  
11 traversing Verbena, passing Chase. If your  
12 vehicles are double parked on that section on  
13 the legal side to park and if cars illegally  
14 park on the other side by the bank, our fire  
15 trunks can't get through. We have signs up  
16 there saying do not double park. It doesn't  
17 matter. People do what they want to do. Chase  
18 has spaces to park but people don't do that.

19 It is really important and I would ask the  
20 Board to consider amending the agreement to  
21 include, besides Caroline Place and Atlantic  
22 Avenue, Verbena Avenue in its entirety, not  
23 only because of you, but we have restaurants  
24 and other businesses on that spot that depend  
25 on the traffic of people that can park, drop a

1 quarter in, run into the store or put four  
2 quarters in and have a meal.

3 MR. VITELLO: Right.

4 TRUSTEE CHENG: So I would ask the Board  
5 to think about that. It is just me talking  
6 now.

7 The next one is for the Commissioner of  
8 Taxis. That's Miss Walsh who is down there.  
9 Do you receive or does the Village receive  
10 weekly logs to specify agreements from each  
11 driver?

12 MS. WALSH: I do not receive weekly logs  
13 from each driver.

14 TRUSTEE CHENG: I think we will wait on  
15 addressing the increase. So, you're asking us,  
16 subsequent to a three year extension that we  
17 just had for another period of time, for  
18 basically a 50 percent increase?

19 MS. SWENSON: It was really, at minimum,  
20 of \$4 to \$6. So, that's not really -- yes,  
21 okay.

22 TRUSTEE CHENG: My math says 50 percent of  
23 four is two.

24 MS. SWENSON: Yeah, you're correct.

25 TRUSTEE CHENG: So we understand.

- 7/16/19 - BOARD OF TRUSTEES - AAA TAXI SERVICE -

1 MS. SWENSON: Yes.

2 TRUSTEE CHIARA: Thank you for the service  
3 in the community. I have no questions.

4 MAYOR LONGOBARDI: With that, I will bring  
5 it up to the public if anyone has any  
6 questions. You can take a seat.

7 MS. SWENSON: Thank you.

8 MR. VITELLO: Thank you for that.

9 MAYOR LONGOBARDI: Anybody in the audience  
10 who wishes to speak in regards to this  
11 application? Okay, if not, anything else you  
12 wish to add?

13 MS. SWENSON: No, sir.

14 MAYOR LONGOBARDI: The Board has one more  
15 question.

16 TRUSTEE FITZGERALD: Do you operate taxis  
17 in any other villages or is Floral Park the  
18 only place?

19 MR. VITELLO: We drop off and leave. We  
20 don't stay there.

21 TRUSTEE FITZGERALD: Do you have any other  
22 agreement?

23 MS. SWENSON: No originating agreement,  
24 no.

25 TRUSTEE FITZGERALD: Thank you.

- 7/16/19 - BOARD OF TRUSTEES - AAA TAXI SERVICE -

1 MS. SWENSON: Thank you.

2 MAYOR LONGOBARDI: Being nothing more in  
3 regards to this right now, I want to reiterate  
4 and thank AAA Taxi for all the effort and all  
5 the things we do for all the residents and  
6 business here. We are very grateful to  
7 everyone.

8 I will ask for now a motion to close the  
9 public hearing and reserve decision. The Board  
10 will deliberate based on some of the comments  
11 and issues that were raised tonight and get  
12 back to you on that.

13 MR. RYAN: Also, subject to you providing  
14 the information on the officers share.

15 MS. SWENSON: Yes, sir, I will do so  
16 within seven days.

17 MR. RYAN: Thank you.

18 MAYOR LONGOBARDI: Thank you. With that,  
19 can I get a motion to close?

20 TRUSTEE FITZGERALD: So moved.

21 TRUSTEE POMBONYO: Second.

22 MS. WALSH: Trustee Fitzgerald?

23 TRUSTEE FITZGERALD: Aye.

24 MS. WALSH: Trustee Pombonyo?

25 TRUSTEE POMBONYO: Aye.

- 7/16/19 - BOARD OF TRUSTEES - AAA TAXI SERVICE -

1 MS. WALSH: Trustee Cheng?

2 TRUSTEE CHENG: Aye.

3 MS. WALSH: Trustee Chiara?

4 TRUSTEE CHIARA: Aye.

5 MS. WALSH: And Mayor Longobardi?

6 MAYOR LONGOBARDI: Aye. Again, thank you  
7 very much for being here. Thank you.
