### **Deputy Mayor Kevin M. Fitzgerald**

“Mayor Longobardi, fellow Trustees, colleagues, family, friends and most importantly my fellow residents. The residents of Floral Park certainly are the embodiment of the term community and put their time and talents to work on a daily basis to ensure Floral Park is a great place to live, work and raise a family.

As we continue to face significant challenges as a Village (and as I have learned over the past 9 years to expect the unexpected) as a Village, I stand before you resolved to continue to dedicate myself to ensuring that Floral Park continues to be a beacon of suburban life and more importantly a true community in which current and future generations are attracted to live and raise their families. It is humbling to be chosen by such an exceptional group of people, our residents, to represent them in the governance of our Village.

I would be remiss if I did not thank a few significant people: Mayor Longobardi, Trustee Pombonyo, Trustee Cheng and Trustee Chiara - it is an absolute privilege to be part of this extraordinary team. It is with a sense of teamwork that I am confident we as a team will meet any and all challenges as we continue to keep Floral Park a vibrant and attractive community. I look forward to working with each of you.

To our staff and employees throughout the Village. Thank you for your dedication and commitment to your jobs especially during the last few months which has been extraordinary. The members of the Citizens’ Party, its Chairman, the Co-Chairs, along with Bernadette Verdu, Michael Cullotta and Kevin Greene not only during the time leading up to the election, but also your time, advice and energy during the entire year.

My friends and neighbors at the Northend Civic Association, for ensuring that the concerns of our neighbors are always brought to the Board of Trustees and other local officials. I enjoy our open dialogue each month that ensures residents’ concerns are heard as well as a place where new ideas are shared. I always look forward to the 3<sup>rd</sup> Thursday of every month.

In the spirit of tonight in which we will be appointing residents to serve on various committees I would like to offer the following quote “Volunteers do not necessarily have the time; they just have the heart.” Thank you all for putting your heart into Floral Park and being so generous with your time.

My lovely wife Jennifer for her unwavering love, support, and understanding day in and day out. And my children Caitlin and James thank you for all the smiles, laughs and fun times as well as your understanding for the past 9 years for the times that I “had a meeting”. I love you!!!

In closing, I would like to thank everyone, who took time out of their day to join us this evening. I look forward to representing you, my fellow residents, and most importantly I am proud to be a resident of this great Village we all call home.
