Message from the Mayor

Dominick A. Longobardi, Mayor

Dear Friends,

So there I was. March 10, 2020, excitedly standing at the guard booth of the White House preparing to enter for a meeting to discuss President Trump's Infrastructure Initiatives. At that moment, this distinguished gentleman comes behind my colleagues and me and I hear the guard say, "Go right in Doctor, they are waiting for you!" As we followed, watching Dr. Anthony Fauci enter the building, none of us had any idea that this pandemic would change our daily lives in ways no one would have imagined. The White House was crazy that day as our meeting with President Trump was understandably delegated to a staff member as more pressing issues regarding the coronavirus (COVID-19) outbreak were at hand. The very next day, March 11, 2020, the World Health Organization declared the COVID-19 Virus to be a global pandemic.

It is true that all of our lives have changed. Most important is that we have learned to be very adamant about respecting others. Facemasks, social distancing, hand sanitizer and quarantining have become a regular part of our lives. Ordering out has replaced going out. Stocking toilet paper, cleaning products, non-perishable items and paper towels is now part of the weekly food shopping experience. Zoom, RingCentral and other virtual meeting platforms have kept us together when we cannot meet in person. The pandemic has brought hardship on many individuals, families, businesses, schools and organizations. It has caused financial hardship for many and displaced the daily routine for countless others. The pandemic has caused serious illness in individuals. And it has taken some of the most precious of our loved-ones, neighbors and friends.

However, the COVID pandemic has provided us with many challenges and issues that have given us opportunities to improve our daily lives, businesses and routines as well. The Village, itself, has made many changes and adjustments in order to continue to provide the services our residents and businesses have come to expect. Due to an extremely dedicated and inventive staff, operational changes were made so that at no time has the Village closed or been unable to provide any of the essential and other services needed by our residents and businesses.

But more importantly, I do believe that this pandemic has given us some opportunity as well. Floral Park is a very special place. And it is special because of everyone who takes that extra step to make it that way. In this time we have seen many of our neighbors and friends perform random acts of kindness to support and help those who need assistance or simply moral support. They continue to use their talents to make masks or provide possibilities and resources for others. New ideas continue to raise funds to provide help to those in need. For example, in this time when we are all grappling with this pandemic, friends and neighbors responded with assistance to our business owners and three families who were subject to four horrific fires. The outpouring of love and support was and continues to be tremendous. This is Floral Park at its Best! I truly believe this pandemic has caused us to refocus our lives on what is truly important. The opportunity to be closer to our families and each other is what is getting all of us through these trying times. Friendships have been strengthened. Friends have stepped in for those who cannot be with family. Our Faith has been challenged and we have adapted stronger than ever with the help of our local spiritual leaders and houses of worship. We have come out to support and help our great businesses who are always there for our community.

Message from the Mayor (continued)

Our schools have planned, re-planned and planned some more to ensure the best education possible for our students during this time. Friends, family and neighbors have been there to provide help, such as babysitting and playdates, to the ever changing work schedules or work-at-home conditions of so many. Food drives and other essential need donations have increased dramatically to help those who are and those who have just found themselves in need. There are so many other examples. However, I truly believe that the most important thing is the outpouring of love, care, concern and respect for each other. Couple this with the ability to be together as families in a current world where the hectic, normal, everyday activities have been put on hold, we have the opportunity to reaffirm what we know to be truly important. Each and every person in our Great Village is a shining example of this!! We have set the example for what is truly important for years and years. Our Wish and Prayer for now, and beyond 2021, is for the safety, health and security for all of us and that we continue to be that shining example for other communities and future generations to come.

On behalf of the entire Village Board and our families, the Wonderful Village Staff and their families, we wish you and your families All the Best for a Very Merry Christmas, a Wonderful Holiday Season and a Happy, Healthy and Prosperous New Year!

SWEARING IN OF TRUSTEES KEVIN M. FITZGERALD & ARCHIE T. CHENG

The Village elections, originally scheduled for last March, were postponed by the Governor and re-scheduled for this past September. In this most recent election Deputy Mayor Kevin M. Fitzgerald and Trustee Archie T. Cheng were re-elected by the residents of Floral Park.

RECOGNITION OF ARCHITECTURAL REVIEW BOARD CHAIRMAN, FRANK GUNTHER, AIA

On December 1, 2020, the Mayor and Board of Trustees honored Architectural Review Board (ARB) Chairman, Frank Gunther, AIA, upon his retirement. Frank was joined by his wife, Gail. The recognition ceremony was held via zoom and forty-six attendees participated including members of Frank's family. Below are a few highlights from the Mayor and the Board.

Mayor Dominick Longobardi

I would like to thank Frank for his outstanding service as the Chairman of the Floral Park ARB since 2003. In that role he has helped many residents improve their homes because of his contributions to their design and construction projects. Frank always gave that little bit extra of his time and talent to homeowners and architects and inspired them with his ideas and leadership. Frank is a wonderful person and talented architect.. He enhanced home designs and maintained the integrity of the charm and aesthetics of the Village.

Deputy Mayor Kevin Fitzgerald

Frank, I would like to thank you for all of your efforts in making Floral Park "look" the way it does. It was not until my time on the Village Board that I came to know of the vast influence that you have had in shaping the aesthetics of the Village. What I will remember the most is the manner in which you worked with residents. You always offered them alternatives and, knowing how precious their time was, many times you offered them additional time at the meeting for them to work with their architect to re-present their plans. Thank you for your guidance and wisdom as a member of the Belmont Task Force. Your time and your influence will certainly be felt by many for generations also come. And thank you for showing all of us what a true public servant should look like.

Dr. Lynn Pombonyo, Trustee

Frank, tonight we salute your many years of meaningful service and valuable contributions to the residents and businesses of Floral Park. The talent and skill that is most extraordinary is your ability to create aesthetic solutions to mathematical problems. As the ARB has considered the designs of ever-increasing numbers of large houses being proposed on some of our smaller pieces of property, we watched in awe as you worked your magic. You shared your vision and wisdom, reimagining the fronts and sides of houses that had been designed to maximize their footprints on the properties; instead, you envisioned their potential beauty. You transformed the standard and routine, and inspired many homeowners and architects to value their homes' aesthetic quality over maximizing the size of their houses on the properties. We've all enjoyed working with you and learning from you. It's been an honor. Thank you for your decades of giving yourself, your time and your talents to the Village of Floral Park, and for making the places we call home beautiful, inside and out. May God bless you always.

Trustee Archie Cheng

Tonight I am pleased to join the Village Board and the entire Floral Park family in thanking Frank Gunther for his years of service to our beloved Village. Thank you for preserving the character, charm and beauty of the homes and businesses in this Village. I had the honor of working with Frank in the early 1990s while I was a Trustee for the Floral Park - Bellerose School District. We hired Frank and his firm to be the architect for a most ambitious project; building additions to the Floral Park - Bellerose School and the John Lewis Childs School to accommodate our growing student population. It was a decision that the Board and the district never regretted as Frank's ingenious architectural eye, vision, and way of designing improvements met our needs while maintaining the character of our beautiful schools. Thank you.

Trustee Frank Chiara

Congratulations Frank. I'd like to thank you for all of your service to the ARB. You will be forever remembered as the "Muntin Man" as I look at all of the windows in Floral Park. Your attention to detail and your willingness to share your expertise are equally amazing. Most applicants that presented before you at the ARB were left satisfied and even smiling. Quite an accomplishment. We wish you and your family the best of luck and hope that you enjoy your new home. You will be forever be remembered as "The Architect of Floral Park". May God bless you and your family.

Architect's rendering of the nine new homes on Cisney Avenue.
Just one of many projects Frank worked on as Architectural Review Board Chairman.

Centennial Gardens and Bird Sanctuary officially closed for the season on Sunday, November 29. The Gardens attract a wide variety of birds. This coming February 12, 13, and 14, 2021 The Gardens will again host the Great Backyard Bird Count. As always, bird expert Don Haug will be on hand to feed the birds as residents come down to observe and count. Please join us for this safe fun family event.

Many things were different this year at the Floral Park Recreation Center, but in following new CDC guidelines we were happy to continue many activities in a safe manner. We look forward to many more fun filled days at the Recreation Center and Floral Park Pool in the summer of 2021.
