SUBJECT: 2020 Landscaper Permits – New Guidelines & Regulations

The Village Board of Trustees recently enacted a new local law affecting Chapter 44 – Gardeners and Landscapers of the Code of the Inc. Village of Floral Park and want you to be aware of the changes.

For your convenience, attached to this letter is a copy of the guidelines and regulations and would like to bring your attention to Numbers 10 and 11. There is a new restriction on the use of gas-powered blowers.

The landscaping permit fees have remained the same. The fee for one vehicle decal is \$50.00 and an additional fee of \$15.00 for each additional vehicle or trailer decal. Proof of registration is required for all vehicles and trailers.

With your application, you are required to provide a list of your customers which should be kept current during the entire season while you have a permit with the Village.

If you wish your customer information to be kept confidential by the Village as a trade secret (i.e. not available for disclosure to any other person by way of public access to records), please so indicate on your list and the Village will respect your wishes.

Feel free to call the Village anytime, if you have any questions.
