- Permit Conditions:** The following conditions must be met before a Certificate of Occupancy or Completion can be issued:
- A separate Street Opening Permit must be filed with DPW if the work involves a connection at the street.
 - The Floral Park Building Department must be made aware of all field changes prior to or at the time of the change. Work is NOT to continue until an amended permit is filed and approved with the Building Department.
 - All work is to be left exposed until inspected and approved by the Floral Park Building Department. Work closed up prior to inspection approval will need to be exposed for inspection at the owner's cost.
 - The Permit is valid for 6 months, unless construction has started. If started, the permit is valid for 12 months from the date of issuance. Should the permit expire a permit renewal application, along with updated forms and permit fee, must be filed and approved by the Building Department.
