

2024 Changes to Commercial Parking Permits:

The Village will be issuing parking permits for commercial vehicles under 22' long only for intervals of six months beginning with January 1st through June 30, 2024.

A maximum of 5 spaces are available for 5 box trucks. The remaining spaces will be available for commercial vans.

Inspections of your commercial vehicle will be administered by the Department of Public Works. You may call their office at (516) 326-6320 to make an appointment.

One commercial parking permit per person or per business will be issued on a first come, first serve basis.

If there are any vacant parking spaces available after January 31, 2024, the Village will permit you to purchase another commercial parking permit.

For your additional information in the Spring, there will be a re-evaluation of the commercial parking in the Creedmoor Spur. Please make sure you include your email address on the application so that we may inform you of any changes.

Thank you for your cooperation and understanding.
