A license issued on this application is valid as long as a reciprocal agreement and a current license is in effect with the municipality named.

The undersigned, being duly sworn, deposes and says that all provisions of the Building and Village Code shall be complied with in the alteration or repair of said building, whether specified herein or not and does hereby apply for a reciprocal license for the period ending December 31, 2024.

AFFIDAVIT OF EXCAVATION OR DEMOLITION

I hereby affirm under the penalties of perjury that the above applicant and/or application will comply with Article 36 of the New York State General Business Law respecting underground facilities, and will comply with the Industrial Code Rule 56 regarding asbestos and the EPA Lead Renovation, repair and painting rule for any project within the Incorporated Village of Floral Park. (A summary of these rules has been provided within the affidavit of excavation or demolition on the reverse page of this application)

HOLD HARMLESS/INDEMNIFICATION AGREEMENT

The applicant/contractor shall indemnify, defend and hold the Incorporated Village of Floral Park and all appointed and elected officials, employees and volunteers of the Incorporated Village of Floral Park harmless against any claim of liability or loss including the cost of defense for personal injury or property damage resulting from or arising directly or indirectly out of, or resulting from, the permit holder's operations and sub-contractor's operation within the Municipality/Village, including losses arising out of the negligent acts or omissions of the contractor, its servants or agents, and any subcontractors, its servants or agents. This indemnity and hold harmless is intended to be as broad as is permitted by law and to include claims of every kind and nature – for tort, under contract, for strict liability or other liability without fault, under statute, rule, regulation or order, and otherwise. The indemnification provided by this Agreement shall be a continuing right to indemnification and shall survive the expiration or termination of this Agreement.

AFFIDAVIT OF EXCAVATION OR DEMOLITION

ARTICLE 36 NEW YORK STATE GENERAL BUSINESS LAW

Article 36 of the New York State General Business Law requires that no excavator shall commence or engage in any excavation or demolition unless and until timely notice is served of the location and date of the proposed excavation or demolition as provided in article 36 to operators who maintain underground facilities in the area in which the excavation or demolition is to take place. The provision of such notice to a one-call notification system is deemed to be compliance with this section; and notice to the one-call notification center is notice to each member. Such notice shall be served in accordance with the rules and regulations adopted by the public service commission pursuant to section one hundred nineteen-b of the public service law.

By law, excavators and contractors working in New York City and Nassau & Suffolk Counties on Long Island must contact New York 811 at least 2 full business days, not including the day of contact, prior to digging.

INDUSTRIAL CODE RULE 56

Pursuant to Industrial Code Rule 56, prior to demolition or disturbance, notification is to be made in the appropriate form to the New York State Department of Labor Asbestos Control Bureau regarding any asbestos removal, disturbance, encapsulation or required asbestos surveys before commencing any work.

EPA LEAD RENOVATION, REPAIR AND PAINTING RULE

The US Environmental Protection Agency (EPA) mandates that any contractor or worker who performs renovation in a pre-1978 apartment, school or facility (including private homes) must be trained and certified in EPA Renovation, Repair, and Painting (RRP). Anyone who is paid to perform work that disturbs lead-based paint in homes, child-care facilities and pre-schools built before 1978 must be certified. This may include, but is not limited to, residential rental property owners, general contractors, painters and special trade contractors (such as, plumbers, carpenters, and electricians).

PERMIT CONTINGENCIES

- The Building Permit must be posted and visible from the street for the duration of the construction process. No work is to be started until permit has been received and posted by the owner / applicant.
- The Permit is valid for 6 months, unless construction has started. If started, the permit is valid for 12 months from the date of issuance. Should the permit expire a permit renewal application, along with updated drawings and permit fee, must be filed and approved by the Building Department.
- The Floral Park Building Department must be made aware of all field changes prior to the time of the change. Work is NOT to continue until an amended permit is filed and approved with the Building Department.
- Owner or the owner's representative shall be responsible to arrange for all required inspections. Owner shall be responsible for the presence of the appropriate representative for the required inspection as directed by the Inspector. All work is to be left exposed until inspected and approved by the Floral Park Building Department. Work closed up prior to inspection approval will need to be exposed for inspection at the owner's cost.
